

LUMIRA COLLECTION | S21, C21, F41

The Lumira Collection invites you to slow down and savor the moment. Its sculpted, wide rolled track arms add a touch of softness to the clean lines, blending classic design with contemporary grace. Framed by subtle piping, the picture frame back design is more than just elegant—it's functional too, cradling adjustable blown fiber cushions that mold to your comfort with every sit.

From morning coffee to late-night conversations, Lumira is the kind of piece that quietly elevates your everyday rituals. Sink into its generous seating, tailored to feel both plush and poised. USA craftsmanship shines with quality and customization.
