

# CAVRILLY COLLECTION | S110, C110

Part of our Revella Collection, the Cavrilly incliner sofa merges modern elegance with a feeling that's purely indulgent. At first glance, it's the picture of sophisticated stationary design — until you kick your legs up and uncover the comfort within.

With a discreet touch of the power control, the Cavrilly eases you into an effortless recline. The innovative incliner mechanism offers full leg support and smooth, whisper-quiet motion — all while keeping a stylish profile. Reversible seat and back cushions\* keep it feeling fresh for years, while the seamless tailoring and plush depth invite you to sink in and stay awhile.
