

# COREY COLLECTION | S715, L715, 7M1\_

When it's time for an evening of rest and relaxation, there isn't a better spot to stretch out than our Corey reclining collection. Immense amounts of pillow fibers fill the backs and chaise lounge. With the sewn in channels, the pillow will wrap and support every inch of your body. A firmer arm adds the support you need when scrolling and reading.

Featuring Best-Max construction, the seat core utilizes a higher density, 2.5 pound foam cushion is breakdown resistant. Six, no-sag, sinuous wire seat springs are strategically placed in the "seating zone" ensuring maximum weight distribution that will instill a lifetime of comfort. Zipper access in the back of the chaise lounge allows custom adjustment of the pillow fibers.
