# UNITY SECTIONAL

Smooth clean lines in the seat and arms while double shirred lines in the pillow backs define this reclining sectional. The chaise lounge features our exclusive Performa Weave® cushioning matrix for a cooler, more durable seating experience. With over 700 fabric and leather options and nine pieces to configure your space, options are seemingly never-ending.

The Unity features a zipper in the upper and lower back for access to the premium cushioning fibers, allowing you to add more for a firmer comfort or take some out for a plusher feel.

Innovative seat cushion technology, called Performa Weave®, is cooler, more durable and comfortable than standard foam.

Outside recliners come with metallic pewter buttons with built-in USB charger.

Our patented bracketing system prevents the units from being shifted and separating apart.
